Legal Aid will be holding two meetings in Craven County, co-sponsored by CCDRA, for those still dealing with issues arising from Hurricane Florence. The sooner a person calls and is screened, the sooner Legal Aid can begin potentially helping each person with their specific set of issues.

*Please note that this meeting is completely **INFORMATIONAL!***

Legal Aid cannot begin offering direct legal assistance until survivors call 1-866-219-5262 and are pre-screened. We look forward to seeing you there!!

**Legal Aid STRONGLY ENCOURAGES anyone interested in attending the meetings to call 1-866-219-5262 as soon as possible to be screened for eligibility.** *You do not have to wait until this meeting to call us. In fact, we encourage you to call as soon as you see this flyer to be screened for eligibility.*

*\*Note, the persons answering the calls for this number will not know anything about the meetings directly.\**
